## THE ELEMENTS: FIRE

August 25 – November 9, 2022

(exhibition dates subject to change)

Public Reception: To Be Announced

FIRE is the third exhibition in the series, The ELEMENTS. The series investigates how artists utilize the elements of earth, air, fire, and water as medium, process, and subject. And how, when seen as a subject, these elements reflect some of the social, economic, political, and environmental issues Arizona currently faces.

FIRE is next. EARTH came first. AIR is currently on view. WATER will follow.

The crux of each installment is to contemplate human presence and responsibility (or lack of); move toward, hover, and dig at the intersection of art and science, all the while remaining focused on medium, process, and subject; never losing sight of the beauty, wonder, and essence before you.

Artists from the region are encouraged to submit 2-dimensional and 3-dimensional works in any media for consideration – video and creative writing submissions are also welcome.

### Submission Guidelines

#### Size/Media

Up to 3 completed works of any size, and in any 2 or 3-dimensional media may be submitted. If accepted, all work must be ready to display and/or framed for hanging. Any accepted work that is not in keeping with the original submission and/or is not properly prepared for exhibition (following guidelines for matting, framing, and hanging hardware) will not be exhibited.
